

NJ Pain Care Specialists

Public law/rule of the State of New Jersey/Board of Medical Examiners mandates that a physician, podiatrist and all other licensees of the Board of Medical Examiners inform patients of any significant financial interest held in a health care service.

Accordingly, take notice that Dr. Bram has a financial interest in the following health care facilities to which patients are referred: Shrewsbury Surgical Center, Toms River Surgical Center and Surgicenter of Freehold .

In addition, take notice that these facilities most likely do not participate with your health insurance company therefore you will be utilizing your out-of-network benefits. If you have questions regarding this coverage please contact the surgical facility directly.

You may, of course, seek treatment at a health care service provider of your own choice. A listing of alternative health care service providers can be found in the classified section of your telephone directory under the appropriate heading.
